FINANCIAL INTELLIGENCE

PLANE COOL: After takeoff, keep busy with a game of solitaire using Fabien Baron's uniquely designed playing cards (\$60; Troy in New York City) and snuggle into Malo's cashmere toe warmers (\$245; 877-733-6256), a real upgrade from airline socks. A Links of London silver-plated luggage tag (\$60; www.linksoflondon.com) adds a little class to any carry-on, and Il Bisonte's passport holder (\$38; 877-452-4766) swathes your identity in luxurious leather. Bally's leather toiletry case (\$250; Bally stores) has ample room for all your cosmetic needs. And if your neighbor won't turn off his reading light, don a pair of sunglasses like these with mint-green lenses and yellow-gold hardware (212-249-5609) by designer (and optician!) Nader Zadi. For an additional fee, he will custom make your frames to fit your face perfectly.
