Rare Frames

Rare Frames | Nader Zadi | Experience the ultimate in luxury eyewear at Nader Zadi's exclusive eyewear atelier in Manhattan's Upper East Side. A bespoke designer and optician, Zadi's talent is magical in his ability to fit and flatter your face with his one-of-a-kind (vintage) eyewear creation made from antique precious metals produced in the early 1900's. He is known for his fine craftsmanship, attention to detail, and excellence in service. The result is a pair of glasses or sunglasses that are sophisticated, chic, and unique to your taste, style and wardrobe.
